Hong Kong Customs Implements Mutual Recognition Arrangement on Authorized Economic Operators with Singapore Customs

The Hong Kong-Singapore Mutual Recognition Arrangement (MRA) on the Authorized Economic Operators (AEOs) has been operational since **9 March 2015**.

The Customs and Excise Department (C&ED) signed the MRA with the Singapore Customs (SC) on 27 June 2014. The MRA not only fosters closer cooperation between C&ED and its counterpart in Singapore in promoting a secure and efficient flow of goods in the international supply chain, but also further strengthens the trade competitiveness of Hong Kong companies in Singapore.

Under the MRA, local companies accredited by the C&ED as AEOs can enjoy Customs facilitation, such as reduced examination or prioritized clearance, for goods exported to Singapore upon arrival. Similarly, companies which have been certified by the SC as "STP-Plus" class (equivalent to AEO) will have their exported goods cleared expeditiously upon arrival in Hong Kong.

To enjoy clearance facilitation under the MRA, AEOs have to follow the procedures for the implementation of the Hong Kong-Singapore MRA at **Annex**.

Joining the Hong Kong AEO Programme

If you are not a Hong Kong AEO right now, you are cordially invited to join the Hong Kong AEO Programme to enjoy the clearance facilitation. Please contact our AEO Enquiry Hotline at 3759 2153 or visit our AEO website (http://www.customs.gov.hk/en/trade_facilitation/aeo/index.html) for more information about the Programme.
