Hong Kong Customs Implements Mutual Recognition Arrangement on Authorized Economic Operators with Canada Customs

The Hong Kong-Canada Mutual Recognition Arrangement (MRA) on the Authorized Economic Operators (AEOs) becomes operational with effect from **20 February 2020**.

The Customs and Excise Department (C&ED) signed the MRA with the Canada Border Services Agency (CBSA) on 27 June 2019. The MRA not only fosters closer cooperation between C&ED and its counterpart in Canada in promoting a secure and efficient flow of goods in the international supply chain, but also further strengthens the trade competitiveness of Hong Kong companies in Canada.

Under the MRA, local companies accredited by the C&ED as AEOs can enjoy Customs facilitation, such as reduced examination or prioritized clearance, for goods exported to Canada upon arrival. Similarly, companies which have been certified by the CBSA as members of Partners in Protection (PIP) will have their exported goods cleared expeditiously upon arrival in Hong Kong.

To enjoy clearance facilitation under the MRA, AEOs have to follow the procedures for the implementation of the Hong Kong-Canada MRA at **Annex**.

Joining the Hong Kong AEO Programme

If you are not a Hong Kong AEO right now, you are cordially invited to join the Hong Kong AEO Programme to enjoy the clearance facilitation.
