

Notice to Traders

Hong Kong Customs Implements Mutual Recognition Arrangement on Authorized Economic Operators with Indonesia Customs

The Hong Kong-Indonesia Mutual Recognition Arrangement (MRA) on the Authorized Economic Operators (AEOs) becomes operational with effect from today (**1 February 2024**).

The Customs and Excise Department (C&ED) signed the MRA with the Directorate General of Customs and Excise (DGCE) on 31 August 2022. The MRA not only fosters closer cooperation between C&ED and its counterpart in Indonesia in promoting a secure and efficient flow of goods in the international supply chain, but also further strengthens the trade competitiveness of local companies in Indonesia.

Under the MRA, local companies accredited by the C&ED as AEOs can enjoy Customs facilitation, such as reduced examination or prioritized clearance, for goods exported to Indonesia upon arrival. Similarly, companies which have been certified by the DGCE as AEOs will have their exported goods cleared expeditiously upon arrival in Hong Kong.

To enjoy clearance facilitation during import and export under the MRA, please follow the procedures for the implementation of the Hong Kong-Indonesia MRA at **Annex I**.

Joining the Hong Kong AEO Programme

If you are not a Hong Kong AEO right now, you are cordially invited to join the Hong Kong AEO Programme to enjoy the clearance facilitation. For more information, please visit the following HK AEO website or contact us at 3759 2153. (https://www.customs.gov.hk/en/trade_facilitation/aao/index.html)
