

於香港國際秋季燈飾展推廣香港AEO計劃

Promote HKAE0 Programme at Hong Kong International Lighting Fair (Autumn Edition)

香港海關於本年10月30日在香港會議展覽中心的香港貿發局香港國際秋季燈飾展舉辦了一場研討會，向參展商及公眾詳細介紹「香港AEO計劃」的優勢，協助本地貿易商提高競爭力。

照明市場發展極具潛力，而環球照明買家亦視香港為重要的貿易平台。獲認證為香港AEO的企業，可享減少海關查驗和優先接受清關等優惠，以提升貨運效率，開拓更多環球商機。

On 30 October 2023, Hong Kong Customs organized a seminar at the Hong Kong Trade Development Council Hong Kong International Lighting Fair (Autumn Edition) to introduce the benefits under the HKAE0 Programme to exhibitors and the public and assist local traders to enhance their competitiveness.

The lighting market has great potential as global buyers view Hong Kong as an important trading platform. Companies accredited as HKAE0 can enjoy trade facilitation benefits including reduced Customs inspection and prioritized Customs clearance, resulting in enhanced cargo operation efficiency and more global business opportunities.
