

內地與香港海關AEO互認合作會議

AEO Co-operation Meeting between Mainland Customs and Hong Kong Customs

香港海關與國家海關總署及深圳海關的代表於今年5月24日在深圳進行會面，交流內港兩地推行AEO計劃的最新情況，同時就去年11月簽訂的《深化粵港澳大灣區AEO合作的備忘錄》作討論，探討如何落實備忘錄的內容，以促進內地與香港的貿易發展及進一步推動兩地企業的合規管理。

香港海關人員同日亦到訪了位於龍崗的「深圳海關AEO高級認證實訓基地」，透過實地考察了解內地海關對有興趣成為AEO之企業的支援和培訓。實訓基地設有多個實景教學區域和模擬貨物進出流程的配置，讓企業更直觀地了解到AEO認證的供應鏈安全要求。

Mainland Customs officers introduced the facilities of the AEO Training Base.

Hong Kong Customs had a meeting with the Mainland Customs in Shenzhen on 24 May 2023 to share the latest development of respective AEO programmes. In the meeting, the two parties also discussed how to implement the details in the “Memorandum of Understanding on Enhancing AEO Co-operation in the Guangdong-Hong Kong-Macao Greater Bay Area” signed in November 2022, with a view to facilitating trade between the Mainland and Hong Kong and further promoting corporate compliance management to the enterprises in the two places.

After the meeting, officers of Hong Kong Customs visited the “Shenzhen Customs AEO Advanced Certification Training Base” in Longgang to learn about the support and training provided by the Mainland Customs to enterprises eager to be accredited as AEOs. The training base is equipped with various stimulated training environments which resemble the actual cargo operation in the industry, allowing enterprises to understand the supply chain security requirements for AEO accreditation by direct observation.
