

於香港春季電子產品展以及香港國際春季燈飾展推廣香港AEO計劃

Promoting HK AEO Programme at Hong Kong Electronics Fair (Spring Edition) and Hong Kong International Lighting Fair (Spring Edition)

香港海關貿易關係及公共傳訊科人員在今年4月14日及20日，分別參與由創新科技及工業局與香港貿易發展局於香港會議展覽中心合辦的香港春季電子產品展以及香港國際春季燈飾展，向在場人士介紹「香港認可經濟營運商（AEO）計劃」的特點及優惠，如減少海關查驗及優先清關等，並邀請企業參與香港AEO計劃。

電子產品和燈飾行業在香港經濟發展中扮演著重要角色，透過香港AEO計劃，海關希望能協助業界進一步提升供應鏈安全水平及內部管理，同時認可獲認證的企業為安全及可信賴的伙伴，從而提高企業的國際信譽及銷售能力。

Officers of the Office of Trade Relations and Public Communication participated in Hong Kong Electronics Fair (Spring Edition) and Hong Kong International Lighting Fair (Spring Edition), jointly organized by the Innovation, Technology and Industry Bureau and Hong Kong Trade Development Council, on 14 and 20 April 2026 respectively. Officers from Hong Kong Customs introduced the features and benefits of “Hong Kong Authorized Economic Operator (AEO) Programme”, including reduced Customs inspection and prioritized Customs clearance, with a view to encouraging more enterprises to join the Programme.

The electronic products and lighting industries play significant roles in local economic development. Through promoting Hong Kong AEO Programme, Hong Kong Customs aims to provide valuable assistance in further strengthening the supply chain security and internal management of the industries and recognize accredited enterprises as secured and trustworthy partners, thereby enhancing their international reputation and marketability.
