To strengthen the supply chain security of Hong Kong's air cargo industry, the Hong Kong Authorized Economic Operator (AEO) Programme is committed to supporting the development of local enterprises, thereby enhancing their international competitiveness and further reinforcing Hong Kong's position as a leading global air cargo hub. With the support of the Airport Authority Hong Kong (AAHK), the public can now access information and application details about the Hong Kong AEO Programme through AAHK's "HKIA Cargo Intelligent Portal". This allows eligible and interested businesses to obtain essential information in a more focused and efficient manner.
