

向「廈門大學法學及物流學系研學團」推廣香港AEO計劃

Promoting HK AEO Programme to the “Study Tour from School of Law and School of Management of Xiamen University”

香港海關於今年6月30日在香港海關總部大樓向「廈門大學法學及物流學系研學團」舉辦了一場研討會，向參加者介紹了「香港認可經濟營運商(AEO)計劃」及「跨境一鎖計劃」的特點、申請流程及優惠，如減少海關查驗、優先清關等，讓有意投身與供應鏈相關行業的年青人認識海關便利商貿計劃。

香港海關致力於執法 and 便利商貿之間保持平衡，以維護香港國際貿易及物流樞紐的地位。透過推廣香港AEO計劃，香港海關希望能讓在場人士認識國際供應鏈安全的運作，了解海關優化清關流程和加快貨物流動的便利商貿措施，促進貿易便利化，同時提升海關運作效率。

On 30 June 2026, Hong Kong Customs organized a seminar for the “Study Tour from School of Law and School of Management of Xiamen University” at Customs Headquarters Building. Officer from Hong Kong Customs introduced the characteristics and application procedures of “Hong Kong Authorized Economic Operator (AEO) Programme” and “Single E-lock Scheme”, and also discussed the benefits the Programmes offer to businesses, including reduced Customs inspection and prioritized Customs clearance, which allowed young students interested in pursuing careers in supply chain-related industries to learn more about Customs' trade facilitation schemes.

To uphold Hong Kong's status as an international trading and logistics hub, Hong Kong Customs strives to strike a right balance between effective law enforcement and efficient trade facilitation. By promoting the Hong Kong AEO Programme, Hong Kong Customs aims to enhance the participants' understanding on international supply chain security operations, highlight trade facilitation measures that simplify Customs clearance procedures and expedite cargo flow, which enhance trade facilitation and improve the efficiency of Customs operations.
