

深化大灣區AEO合作 – 再次成功協調香港AEO獲取內地AEO認證

Enhancing AEO Cooperation in GBA – Another Successful Facilitation for Hong Kong AEOs in Obtaining Mainland AEO Accreditation

香港海關為加強與內地海關的AEO合作，並積極落實《深化粵港澳大灣區AEO合作的備忘錄》，雙方近年開展多項交流，包括組織代表團考察「中國海關AEO實訓基地（深圳）」、參與在珠海舉行的「內地與香港、澳門海關AEO政策聯合說明會」，以及派員赴天津與專家交流，深入掌握內地最新AEO制度修訂，並同時取得內地AEO認證人員資格。

為進一步落實《備忘錄》中「互相推薦及優先處理AEO申請」的合作機制，兩地海關持續保持緊密溝通及針對性協調。經雙方推薦後，今年7月香港海關再度成功協助兩家香港AEO企業的內地關聯公司順利取得內地「海關認證企業」資格，充分彰顯大灣區AEO合作的顯著成效。

香港AEO「萬美（東方）有限公司」的內地公司「萬景塑膠製品（深圳）有限公司」及香港AEO「迅達科技貿易（亞洲）有限公司」的內地公司「惠州美銳電子科技有限公司」成功獲取內地AEO認證。

"Mainetti Plastic Products (Shenzhen) Limited", a Mainland company of HK AEO "Mainetti (Eastern China) Limited" and "Merix Printed Circuits Technology Limited", a Mainland company of HK AEO "TTM Technologies Trading (Asia) Company Limited", were accredited as Mainland AEOs.

Hong Kong Customs continues to deepen its AEO cooperation with Mainland Customs and actively implements the "Memorandum of Understanding (MoU) on Enhancing AEO Co-operation in the Guangdong-Hong Kong-Macao Greater Bay Area." In recent years, both sides have engaged in multiple exchange initiatives, including leading an AEO delegation to visit the China Customs AEO Training Base in Shenzhen, participating in a joint seminar in Zhuhai on the AEO Programme of Mainland, Hong Kong and Macao Customs, and arranging for Hong Kong Customs officers to engage in expert exchanges in Tianjin to study the updated Mainland AEO regulations, and attain the Mainland AEO Accreditor qualification.

To further implement the "mutual referral mechanism and prioritized processing on AEO applications" under the MoU, both Customs administrations have maintained close communication and targeted coordination. Following the mutual referrals, in July, Hong Kong Customs successfully facilitated the Mainland related companies of two Hong Kong AEOs in obtaining the "Certified Enterprise" qualification from the Mainland Customs, demonstrating the fruitful results of the AEO cooperation in the Greater Bay Area.
