

### 與卡塔爾海關推進AEO互認安排

#### Accelerating the AEO Mutual Recognition Arrangement with Qatar Customs

繼2026年1月與卡塔爾海關於多哈完成首次聯合認證工作後，卡塔爾海關業務及風險管理部署理助理經理 Jassim Al-Rumaihi率領代表團於2026年10月12日至14日到訪香港參加雙邊會議及第二次聯合認證工作。

訪問期間，香港海關貿易關係及公共傳訊科署理高級參事區煥妍女士率領團隊與卡塔爾海關代表團進行雙邊會議，檢視兩地認可經濟營運商（AEO）互認安排工作的進展，並就推進互認安排的工作路線圖及未來工作計劃進行討論。

代表團亦到訪兩家企業進行聯合認證工作，包括一間已獲 AEO 認證的企業及一間正處於申請階段的企業。透過實地觀察及交流，確定兩地的認證標準相符。第二次聯合認證訪問取得豐厚成果，進一步加深兩地海關的相互了解，並為推進雙方達成AEO互認安排奠定堅實基礎。

Following the first Joint Validation Visit (JVV) for the AEO Mutual Recognition Arrangement (MRA) with the General Authority of Customs in the State of Qatar (Qatar Customs) in Doha in January 2026, Mr. Jassim Al-Rumaihi, Acting Assistant Manager, Customs Operations and Risks Management Department of Qatar Customs, led a delegation to Hong Kong for attending a bilateral meeting and conducting the second JVV with our Department from 12 to 14 October 2026.

During the meeting, Acting Senior Staff Officer for Trade Relations and Public Communication, Ms Lisa Au, led her team to review the progress of the Hong Kong-Qatar AEO MRA development, and discuss the roadmap as well as future work plan for advancing the AEO MRA.

The delegation also visited two Hong Kong AEO companies — one accredited as an AEO and another undergoing the accreditation process. The on-site observations and discussions confirmed that the accreditation standards and requirements of both administrations are compatible. The achievement made during the second JVV further strengthened mutual understanding between the two Customs administrations and laid a solid foundation for advancing our cooperation. Both sides look forward to maintaining a closer collaboration and continuing fruitful discussions for the successful conclusion of the AEO MRA in the near future.
