「香港認可經濟營運商」證書有效期延長至5年
Validity Period of HKAEO Certificates Extended to 5 Years

5 YEARS

為確保「香港認可經濟營運商 (HKAEO) 」計劃能緊貼全球貿易及AEO發展趨勢，由2026年11月1日起，香港AEO證書的有效期已由3年**延長至5年**。在5年的證書有效期內，香港海關會進行恆常合規監察，以確保香港AEO持續符合所有認證標準。

此外，為加強證書防偽驗證，全新的香港AEO電子證書亦**加上ValidAP標誌**，代表用戶可於運用區塊鏈技術構建的ValidAP平台核實該電子證書。

感謝大家對香港AEO計劃的支持，香港海關會持續優化計劃，進一步加強國際供應鏈安全及便利合法貨物流動。

To ensure that the Hong Kong Authorized Economic Operator (HKAEO) Programme keeps pace with evolving global trade and AEO development, effective from 1 November 2026, the validity period of the HKAEO certificates has been extended from 3 years to **5 years**. Hong Kong Customs will conduct ongoing compliance assurance during this 5-year validity period to ensure that HKAEOs continue to meet all criteria.

At the same time, to strengthen certificate authenticity verification, the new HKAEO e-certificates have incorporated the **logo of ValidAP**, representing that the documents can be verified through the blockchain-based ValidAP Platform.

Thank you for your continuous support of the HKAEO Programme. Hong Kong Customs will continue to optimize the Programme with a view to enhancing international supply chain security and facilitating the movement of legitimate goods.
