

## Customs and Excise Department

### Open Data Plan for 2020 to 2022

#### A. Departmental datasets to be released in 2020

| # | Type of Data/ Name of Dataset                                                                          | Target Release Date<br>(in mm/yyyy) | Frequency of Update | Remarks                                                                                                                                           |
|---|--------------------------------------------------------------------------------------------------------|-------------------------------------|---------------------|---------------------------------------------------------------------------------------------------------------------------------------------------|
| 1 | Transport /<br>Customs Statistics on Land Boundary Control<br>Points Vehicular Throughput <sup>1</sup> | 01/2020                             | Quarterly           | The vehicular throughput includes the number of cross-boundary goods vehicles, passenger vehicles and private cars. [CSV]                         |
| 2 | Commerce and Industry /<br>Trade Single Window Statistics                                              | 01/2020                             | Half-yearly         | Data showing the no. of registered accounts, application of licences/permits and issued electronic licences/permits in Trade Single Window. [CSV] |

#### B. Departmental datasets to be released in 2021 and 2022

| # | Type of Data/ Name of Dataset | Target Release Date<br>(in mm/yyyy) | Frequency of Update | Remarks |
|---|-------------------------------|-------------------------------------|---------------------|---------|
| 1 | N/A                           | N/A                                 | N/A                 | N/A     |

<sup>1</sup> The dataset has been released on an annual basis since December 2015.

**C. Datasets planned to be opened up by other organisations**

**(1) Name of organisation**

| # | Type of Data/ Name of Dataset | Target Release Date (in mm/yyyy) | Frequency of Update | Remarks |
|---|-------------------------------|----------------------------------|---------------------|---------|
| 1 | N/A                           | N/A                              | N/A                 | N/A     |

**D. Progress: Datasets already uploaded to PSI Portal by Department and other organisations**

| # | Type of Data/ Name of Dataset                                                                       | Release Date (in mm/yyyy) | Frequency of Update | Remarks                                                                                                                          |
|---|-----------------------------------------------------------------------------------------------------|---------------------------|---------------------|----------------------------------------------------------------------------------------------------------------------------------|
| 1 | Law and Security /<br>Customs Statistics on Cases, Seizures and Arrests                             | 12/2015                   | Annual              | Statistics on cases, seizures and arrests by the Customs and Excise Department [CSV] & [XLSX]                                    |
| 2 | Transport /<br>Customs Statistics on Control Points Passenger Throughput                            | 12/2015                   | Annual              | Statistics on passenger throughput at different control points of the Customs and Excise Department [CSV] & [XLSX]               |
| 3 | Transport /<br>Customs Statistics on Land Boundary Control Points Vehicular Throughput <sup>2</sup> | 12/2015                   | Annual              | Statistics on vehicular throughput at different land boundary control points of the Customs and Excise Department [CSV] & [XLSX] |
| 4 | Finance /<br>Customs Statistics on Revenue Collection                                               | 12/2015                   | Annual              | Statistics on revenue collection by the Customs and Excise Department [CSV] & [XLSX]                                             |

<sup>2</sup> This dataset will be available on a quarterly basis from 2020 onwards.

| # | Type of Data/ Name of Dataset                                                                  | Release Date<br>(in mm/yyyy) | Frequency of Update                          | Remarks                                                                                                                                                                                                                                                                           |
